Summary

A self-motivated and well-rounded undergraduate student in physics, I seek an internship position that will allow me to explore career options in engineering and/or physics research.

Relevant Experience

PATENT LAW INTERN

COLBY NIPPER PLLC – EAGLE, ID

JUNE-AUGUST 2024

Assisted patent attorneys and agents with patent preparation and prosecution; automated internal processes using Python

HILLSDALE ADVANCED LASER & OPTICS (HALO) LAB RESEARCH ASSISTANT

HILLSDALE COLLEGE – HILLSDALE, MI

JANUARY-JUNE 2024

Worked with Dr. Michael Tripepi to set up new lab and catalog equipment; generated and troubleshooted user interface code; developed algorithms to analyze laser beams and their effects on materials using Python

PULSAR ASTROPHYSICS LAB ASSISTANT

HILLSDALE COLLEGE – HILLSDALE, MI

AUGUST-DECEMBER 2023

Worked with Dr. Timothy Dolch as member of North American Nanohertz Observatory for Gravitational Waves (NANOGrav) Student Team of Astrophysics Researchers (STARS) program; reviewed, recorded, and analyzed data from radio telescopes to identify pulsars; discussed and answered questions regarding results and organized research documentation

DATA PROCESSOR

LANDPRO DATA – EAGLE, ID

APRIL-SEPTEMBER 2023

Evaluated historical land survey data to extrapolate location, dates, property characteristics; results produced on virtual map to aid in property evaluation by outside organizations and personnel; resolved data using manual and computer-assisted methods

Education

HILLSDALE COLLEGE – HILLSDALE, MI

AUGUST 2023-PRESENT

Physics Major – **3.9 GPA** – Classics Minor

- *Awards/Honors:* Collegiate Scholars Honors Program (starting Fall 2024); Physics Teaching Assistant (2024-25); "Outstanding Freshman of the Year" for physics department (2023-24); College Dean's List (Fall 2023, Spring 2024)
- *Noteworthy Coursework:* Theoretical Physics 303/304, Experimental Physics 310/311, Physics Seminar 393, Pulsar Astrophysics Lab 597, Multivariable Calculus, Linear Algebra, Attic Greek 103/104, Latin Literature 320, Literature of the Roman Empire 322
- *Activities:* Resident Advisor for Niedfeldt dorm (2024-25); participate in Society of Physics Students (SPS), Big Band Jazz Band (trumpet), University Orchestra (trumpet), and Hillsdale Swing Club (Officer)
- Volunteer with *A Few Good Men*, a flexible force of men and women who serve elderly, disabled, and low income households with yard work, home repair, and service tasks, and aid community organizations with manual labor projects

STARRLIGHT CLASSICAL SCHOOL – EAGLE, ID

GRADUATED MAY 2023

Graduated with perfect 4.0 GPA (4.55 weighted) and 46 college credits

- *Honors and Awards:* BSA Eagle Scout, National Merit Scholar, CLT National Award Winner (top 50 scores in nation), AP Scholar with Distinction, All-State Band (2023), All-State Orchestra (2022), Outstanding EHS Instrumentalist of the Year (2023)
